Antaira APR-2000 Phase Out Notice

As of April 29, 2013, we would like to inform you that we have discontinued the following industrial 802.11b/g AP/VPN/Router: APR-2000.

Due to sudden discontinuation by the manufacturer of the 802.11b/g Wireless module found in the APR-2000 series, Antaira will discontinue the production of this product by the end of Q1, 2013. Antaira is currently developing the new model to replace the products in the APR-2000 series to be available by Q1, 2014.

An Official Phase-Out Schedule can be found in the below table:

Phase Out Schedule			
Phase-Out Notice	Phase-Out Start Date	*Last Buy Date	Phase-Out Date
