

Ref. No.:	UPDATE: EVC-3001
Date:	November 7, 2017

## PRODUCT NOTICE

Dear Valued Customers,

Antaira previously released the product notice for the EVC-3001 that originally was going to be phased out with no replacement. We are pleased to announce that Antaira will have an alternative model as the replacement to the EVC-3001. Currently, we do not know when we will have the EVC-3101 in stock, but we still have the EVC-3001 available.

Comparison Table					
Picture	EOL Model	Description	Picture	Alternative Model	Description
	<b>EVC-3001</b>	Ethernet Extender over VDSL2 Converter 1*RJ45, 1*VDSL2/RJ11, 1*Phone – 17a		<b>EVC-3101</b>	Ethernet over VDSL2 Converter – 1*10/100/1000Tx + 1*VDSL2/RJ11, 1*Phone – 30a

If your project still requires the EVC-3001, please contact your local Antaira sales representative or an authorized Antaira regional distributor. We will initiate the appropriate action to handle your request. Please note that all service rules (e.g., warranty) still apply after the products are phased out.

Regards,

Derrick Diep  
 Product Coordinator  
 ANTAIRA TECHNOLOGIES, LLC.
